Product Description

RedMax Trimmer BCZ230TS

A lightweight yet heavy-duty commercial trimmer designed to produce additional torque for extreme conditions. The BCZ230TS provides 0.94 horsepower while only weighing 10.1 pounds. Couple this excellent power-to-weight ratio with the Strato-Charged engine and the steel shaft and you have one of the most fuel-efficient, durable, and lightweight trimmers on the market.

Why Choose the RedMax BCZ230TS Trimmer?

- **Excellent Power-to-Weight Ratio** - 0.94 HP while weighing only 10.1 lbs for efficient commercial trimming.
- **Strato-Charged Engine Technology** - Delivers strong torque with improved fuel efficiency and reduced emissions.
- **Heavy-Duty Steel Shaft** - Built for durability in demanding landscaping conditions.
- **Commercial-Grade Performance** - Designed to handle thick grass and tough trimming jobs.

Best Used For

- Commercial lawn maintenance
- Edging sidewalks and driveways
- Trimming around fences and obstacles
- Thick grass and heavy overgrowth
- Property management maintenance

Lightweight Power for Demanding Jobs

The **RedMax BCZ230TS** is engineered for professionals who need reliable torque without added weight. With its Strato-Charged engine and durable steel shaft construction, this commercial trimmer delivers fuel-efficient performance and long-lasting durability. Built to tackle tough trimming conditions while keeping operators comfortable, it's a dependable tool for daily landscaping work.
