Product Description

Gravely Pro-Walk 52 Hydro Drive Walk-Behind Mower

The Pro-Walk commercial walk behind has been updated with the user in mind. A more ergonomic design combines with the stability you trust for precise, comfortable control.

Key Features

- **Kawasaki® FS600V Engine** - Delivers dependable power and performance for commercial mowing applications.
- **18.5 Horsepower** - Provides reliable cutting power for daily professional lawn maintenance.
- **52-Inch Cutting Deck** - Covers more ground per pass to improve productivity on commercial properties.
- **Fabricated Deck Construction** - Built for durability and long-term performance in demanding mowing environments.
- **Hydro Drive System** - Provides smooth operation and responsive control during mowing.
- **Ergonomic Design** - Updated design enhances operator comfort during extended workdays.
- **Commercial Walk-Behind Configuration** - Combines maneuverability, stability, and precision for professional lawn care.

Best Use

- **Commercial Lawn Maintenance** - Ideal for landscaping professionals maintaining residential and commercial properties.
- **Properties Requiring Precision Mowing** - Walk-behind design provides excellent control around obstacles and landscaped areas.
- **Large Turf Areas** - The 52-inch deck helps improve efficiency and productivity on larger mowing jobs.
- **Equipment Buying Research** - Pairs well with guides on [how to choose right mower for Louisiana lawns](#) when selecting the best equipment for regional conditions.
- **Preventive Equipment Maintenance** - Supports routine service schedules and complements [lawn mower repair in Louisiana](#) to help maximize mower performance and longevity.
