Product Description

Gravely Pro-Walk 36 Hydro Drive Walk-Behind Mower

The Pro-Walk commercial walk behind has been updated with the user in mind. A more ergonomic design combines with the stability you trust for precise, comfortable control.

Features

- **36" Fabricated Deck** - Durable fabricated deck designed for consistent cutting performance in commercial mowing conditions.
- **Kawasaki® FS481V Engine** - 14.5 horsepower gas engine provides reliable power for demanding lawn care applications.
- **Hydro Drive System** - Smooth hydrostatic drive delivers precise control and easy maneuverability during operation.
- **Ergonomic Control Design** - Updated layout improves operator comfort and reduces fatigue during extended use.
- **Commercial Walk-Behind Platform** - Built for stability and control in professional mowing environments.
- **Gas-Powered Performance** - Consistent output and runtime for crews needing dependable equipment in the field.

Best Use

- **Commercial Landscaping Crews** - Ideal for professionals needing a dependable walk-behind mower for daily operations.
- **Tight and Gated Properties** - 36" deck allows access to narrow areas where larger mowers cannot fit.
- **Precision Lawn Care Work** - Hydro drive system supports detailed trimming and controlled mowing patterns.
- **Routine Commercial Maintenance** - Reliable for consistent upkeep across multiple properties.
- **Equipment Comparison Research** - Supports decision-making when reviewing [Battery-Powered vs. Gas Mowers](#) for jobsite needs.
