Product Description

RedMax Blower EBZ5150

For the commercial operator, RedMax is easily the industry leader in terms of the selection and performance of power blowers. The EBZ5150 backpack blower features the Strato-Charged 2-stroke engine with ultra-low emissions and high power. With a 50.2 cc displacement and 2.3 horsepower, the EBZ5150 produces a maximum air speed of 171 MPH with tube air flow approaching 487 CFM. The Max Cooled back pad uses air from the fan housing to cool operators and keep them comfortable during hot days. Super wide straps and a contoured back pad are oversized for greater comfort. Comes standard with a frame-mounted throttle to virtually eliminate downtime due to damaged cables.

Best For

- **Commercial landscaping crews**
- Leaf and seasonal cleanup
- Property maintenance contractors
- Municipal and park departments
- Large residential property maintenance

Commercial Power. All-Day Comfort.

The EBZ5150RH delivers the airflow and durability professionals need to tackle heavy debris quickly. Its cooling back pad and ergonomic harness system keep operators comfortable, while the powerful 50.2cc engine ensures consistent productivity job after job.
