Product Description

Feel the Power, Not the Bumps.

The new X-Ride is equipped with Custom Ride Technology, an isolated operator suspension platform designed to deliver a comfortable ride for the operator even while on rough terrain. The platform absorbs up to 4 inches of travel and has 5 levels of adjustability for the operator to find their comfort preference all while maintaining the stability on the mower.

Features:

Fabricated Frame

1.5" x 3.0" steel single piece fabricated frame.

VX4 Deck

Fabricated 7 GA steel deck engineered to move grass at high speed while maintaining cut-quality.

Commercial-grade Torque

Hydro-Gear® ZT-5400™ transmissions.

Duel Fuel Tanks

12-gallon capacity with mechanical fuel gauges.

Suspension Platform

Custom ride technology separates the platform from the frame which pivots along the front footrest. Dial-in comfort with 5-adjustment positions, coil-over-shock suspension system, and 4" of total suspension travel.

Warranty
