### Product Description

## DEWALT 20V MAX 3/8in Compact Impact Wrench & POWERSTACK Compact Battery-DCF923E1

The ATOMIC 20V MAX\* 3/8 in. Cordless Impact Wrench was designed easily to handle various fastening projects. - Get up to 300 ft-lbs of max fastening torque and 450 ft-lbs of max breakaway torque with this compact power tool that offers easy maneuverability without sacrificing power. Choose between 4 speed settings including Precision Wrench control feature and Timber Screw mode to allow for reliable high-level performance, operability, and versatility. Dark work areas are no problem with this Cordless Impact Wrench, which comes with an LED work light for visibility in dimly lit spaces. This Cordless kit comes with our lightest and most powerful 20V MAX battery, with 50% more power than the DCB203, and a 25% smaller footprint. The DEWALT POWERSTACK compact battery works with all DEWALT 20V MAX power tools and chargers.

### Additional Features

- Brighten dark workspaces with onboard led and brightness control
- Quickly change sockets: hog ring anvil for rapid, secure socket changes
- Optimized speed in wood with timber screw™ mode
- Built for long life: Glass-Filled Nylon Housing provides resistance from damage caused by some oils and solvents
