### **Product Description**

## **Scag Jackal Stand-On Mini Skid Steer**

### **Making New Tracks**

Making new tracks. Breaking new ground. Making a stand for more diverse profitability. However you say it, the new Scag® Jackal™ stand-on mini skid steer is doing it. Hit the ground running with this bold workhorse, and dig into untapped productivity and profit-making potential.

### **More uptime**

Experience quick and easy access to maintenance and service areas with removable—and comfortable—cushion panels.

### **In control for the job ahead**

Easy-to-use, ergonomic joystick drive and bucket controls provide incredible ease-of-use and simple operation.

### **Get the job done**

Featuring a **1,125-lb.** lift capacity with a **3,142-lb.** tip capacity, the Jackal has a 83" hinge pin height that delivers a high lift and dump point to help you reach into large dumpsters, containers and truck beds. And with a 15 GPM auxiliary hydraulic flow at 3000 psi, it has the power and efficiency for whatever challenges await you.

### **Engine Options**

Kubota Diesel 24.8 Horsepower

Kohler Diesel 24.7 Horsepower

Yanmar Diesel 24.7 Horsepower

# Warranty

1-year Commercial / Rental Machine Warranty
