Product Description

Scag V-Ride II 61 EFI

GO THE DISTANCE

Featuring a comfortable operator platform with first-class suspension that minimizes fatigue, the V-Ride II™ delivers a natural, intuitive and smooth riding position the entire day. With unrivaled performance, stability and durability, this machine helps keep you in tip-top condition to get the job done day after day, year after year.

Features:

Ease of Maintenance

Easy-to-remove covers, an unrestricted engine compartment, easy-to-reach grease Zerks and many more features make servicing the V-Ride™ II simple, so you can be in the shop less and on the job more.

Industrial-Grade Hydraulic System

Dual Hydro-Gear pumps (12 cc) and Parker wheel motors (14 ci) deliver dependable power, with speeds up to 10.5 mph. Pump shock valves ensure reliability and long life. Cooling fans help maintain safe operating temperatures.

Adjustable Operator Platform

The spacious operator platform delivers a smooth ride and reduces operator fatigue. Adjustable suspension spring can be moved forward or backward, with, or without, the spacer plate installed to meet the operator's comfort preference. Extra-large, extra-thick operator comfort cushion ensures comfortable operation, hour after hour.

High-Strength Steel Frame

Heavy-duty, single-tube, steel main-frame construction delivers superior strength and ensures years of trouble-free service. The front caster-wheel weldments are replaceable.

Tiger Eye Advanced Monitoring System

Depending on the mower model and engine selection, the Tiger Eye™ Advanced Monitoring System monitors a wide variety of systems in real-time, giving you valuable information in just a glance, right from the operator's seat.

Best Use

- **Commercial Lawn Care Operations** - Ideal for landscaping professionals maintaining residential and commercial properties.
- **Large Property Maintenance** - The 61-inch deck improves productivity on medium to large acreage jobs.
- **High-Volume Mowing Services** - Built for crews requiring dependable daily performance and efficiency.
- **Wet and Humid Climate Conditions** - Stand-on design and traction control help operators understand the [right mower for wet Louisiana yards](#) for safer and more effective mowing.
- **Professional Landscaping Fleets** - Designed for contractors who need durable, serviceable equipment for year-round use.

Warranty

3 year / 500 hour residential warranty

2 year commercial warranty
