Product Description

ECHO Trimmers...Performance!

What else needs to be said about the world's finest commercial-grade grass trimmers? ECHO's easy-to-use custom ergonomic controls, light-weight design, and powerful professional-grade, 2-stroke engine technologies give you the tools to enhance your productivity. Whether you need a lightweight curved shaft model for simple trimming around posts or fence lines or you to require the long reach of a straight shaft model, ECHO string trimmers are designed for performance.

There are other shaft configurations available including a split shaft design that can accommodate most ECHO Pro Attachment Series™ attachments and ones with a steel drive shaft for increased cutting head acceleration.

Features may include:

- 21.2 cc professional-grade, 2-stroke engine for outstanding performance
- i-30™ starting system for reduced effort starting
- 59" straight shaft
- Engine vibration-reduction system for operator comfort
- Speed-Feed® 400 trimmer head re-loads in seconds without disassembly

Best Use

- **Commercial Landscaping** - Ideal for professional landscapers needing reliable, high-performance trimmers.
- **Residential Yard Maintenance** - Perfect for homeowners with large lawns or detailed trimming tasks.
- **Fence Lines & Hard-to-Reach Areas** - Straight shaft and long reach allow precise trimming around obstacles.
- **Attachment Versatility** - Compatible with various ECHO Pro attachments for expanded functionality.

Professional String Trimmer for Landscaping and Yard Maintenance

The ECHO SRM-225 String Trimmer - SRM-225 delivers powerful performance with a 21.2 cc professional-grade engine, i-30™ starting system, and Speed-Feed® 400 trimmer head. Designed for landscapers and homeowners seeking efficiency, this backpack blower provides reliable trimming for residential and commercial applications.
