Product Description

Scag Turf Storm XL Stand on Spreader

THE REAL DEAL FOR SERIOUS CHEMICAL APPLICATIONS Looking to expand your lawn care offers? The Turf Storm XL and Turf Storm are ready to help you handle any job. With a 220-lb spreader capacity, 60-gallon sprayer capacity and an 8-ft spray boom, the Turf Storm XL can handle even the largest jobs. Conversely, the Turf Storm, with its 120-lb spreader capacity and 30-gallon sprayer capacity, is ideal for working on smaller residential properties. And, its 35.5-inch width (65-inch boom folded in) lets it fit through any standard gate. A 75-foot hose reel (Turf Storm XL) or 15-foot hose reel (Turf Storm) allows you to reach tough spaces.
