Product Description

Gravely ZT X 42" Kawasaki Zero Turn Mower

BRING SOME PROFESSIONAL STANDARDS TO YOUR LAWN.

This is the residential lawnmower that's often mistaken for a commercial mowing machine. It's no surprise with its heavy-duty construction, professional features, and legendary Gravely performance. When you have a ZT X on your lawn, your neighborhood will know you're upping your lawn game to the next level.

Features may include:

One-piece, Fully-Welded Tubular Chassis

Influenced by our commercial applications, this all-new chassis displays strength and durability with its closed tube frame rails and fully welded construction techniques.

New X-Factor® 11-gauge Fabricated Deck

All new 4 1/2 inch-deep deck optimizes airflow, and its reinforced sloped nose allows more room for grass to stand up ahead of the cutting chamber. Caged anti-scalp wheels make your lawn less susceptible to damage from minor bumps and scrapes.

Hydro-Gear® Serviceable EZT® Transaxles

Optimized cooling to ensure smooth running for years to come. New service ports allow oil changes to help extend the life of your machine.
