Product Description

Stacked and Compact - Surfer Pro

The Hustler Turf Surfer Pro is the latest edition to our stand-on mower family. With an overall length of 58.9 inches, the Surfer Pro has a smaller footprint than a traditional walk-behind or self-propelled push mower and even the smallest zero-turn mowers. The Surfer Pro is ideal for contractors who need to navigate tight spaces or have gated properties and would rather not walk. This stand-on mower may be compact in stature, but it still boasts a heavy-duty fabricated deck and Kawasaki engine. The Surfer Pro is a powerful tool in a contractor's overall lawn care arsenal.
